... and that's a wrap for Term 1

As we approach the end of Term 1, which has been a very challenging and trying one, I would like to thank you all for your continued support. We remain committed to making ongoing improvements and creating a better environment for all. A special thank you to the parents whose contributions make all of this possible. Our voluntary development fund currently reflects a balance of R2,090.00.

Our campout raised R55 000. A huge thank you to all parents who supported this fundraiser.

Term 2 is expected to be particularly challenging, with several 4-day weeks, as noted in the previous newsflash. There will be only 12 teaching days during the month of April, so we kindly request that learners avoid unnecessary absences during this period.

Thank you again for your continued partnership and for entrusting us with the education of your children. We value your trust and look forward to welcoming your children back to school with renewed energy and enthusiasm in the next term which commences Tuesday, 08 April.

Wishing you and your families a safe, restful, and enjoyable break!

Fundraiser for Term 2

We are excited to announce that, in the upcoming term, we will be hosting a Sponsored Spelling Bee Competition as part of our fundraising efforts. This event will provide an excellent opportunity for our learners to showcase their spelling skills while contributing to a great cause.

Each learner will receive a collection list with incentives to encourage participation. We are also reaching out to our school community for donations to support the prize pool for the competition.

The prize categories will include:

- 1st Place Prizes for Grades R-7
- A Prize for the learner who collects the most funds
- Lucky Draw: All forms that collect a total of R250 will be entered into a lucky draw for additional prizes.

We would greatly appreciate any contributions or donations that can be made towards prizes for our learners. Your support is instrumental in making this event a success.

Thank you for your continued support, and we look forward to a fun and engaging competition. More information will be sent next term.

Anti-bullying Awareness Programme

Sunlands Primary School is pleased to announce the launch of an Anti-Bullying Awareness Programme in Term 2.

This initiative is designed to raise awareness among our learners about the harmful effects of bullying and to equip them with the tools and knowledge to prevent such behaviour.

The programme aims to foster a safe and supportive environment by encouraging learners to be mindful of their actions and to promote kindness, respect, and empathy towards one another.

We look forward to working together to ensure that all our learners understand the importance of maintaining a bullying-free school environment.
