Value for Term 4:
PERSEVERANCE

As we near the end of Term 4...

As we near the end of Term 4, we would like to remind you that formal assessments (Grade 4-6) begin on 19 November 2025. This is an important period for our learners as they consolidate their learning and demonstrate the progress they have made throughout the year.

Teachers have been revising work in class and ensuring that learners are well-prepared. We kindly request your continued support at home by encouraging early bedtimes, healthy routines, and quiet study time where possible. Please ensure that your child arrives at school on time each day, properly equipped and ready to focus.

If your child is absent during the assessment period, please note that a valid reason, accompanied by the necessary documentation, will be required in line with school policy.

We understand that assessments can be a stressful time for some learners, and we appreciate your partnership in helping them stay calm, confident, and motivated. Let us work together to ensure a smooth and successful end to the academic year.

AWARD CEREMONIES

All learners are expected to be properly attired in their full summer uniform for the event. No takkies or casual footwear will be permitted. Learners must ensure that their appearance is neat, tidy, and in line with the school's uniform policy.

For learners who have already transitioned into the new school uniform, please take note that the uniform must be worn exactly as prescribed. This includes the correct socks, and all other specified uniform items. For learners who are still wearing the old uniform, the same expectations apply. The uniform must be complete, correctly worn, and in accordance with the school's guidelines.

We kindly ask parents to assist by ensuring that learners are dressed appropriately. Maintaining a consistent and well-presented appearance promotes discipline and pride in our school community.

SCHOOL FEES:

We would like to remind all parents that school fees for this year are expected to be fully paid by the end of November. Timely payment of school fees is essential for the smooth running of the school, as it allows us to maintain resources, support programs, continue providing quality education for all our learners and meet our monthly obligations.

We wish to extend our sincere gratitude to all parents who have diligently ensured that their school fees are up to date. Your commitment and support are greatly appreciated, and they play a vital role in the success of our school and the learning experience of every child.

Textbooks

We kindly request that all parents ensure that their child's textbooks are returned to school before the end of the term. It is important that every learner returns all books issued to them, as these resources are essential for teaching and learning in the coming year.

Please take note that parents will be held responsible for any textbooks that are lost, damaged, or not returned. Any replacement or repair costs will need to be settled accordingly.

We appreciate your cooperation in ensuring that all school resources are returned in good condition, which helps us maintain a well-stocked and organised learning environment for all learners.

BRAG CORNER

Congratulations to Our Rugby Achievers!

We are proud to congratulate Mikaeel (6M) and Tauqeer (6B) on being awarded Best Back – Under 12.
